

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Cancellation of the)
Certificate of Service Authority and)
Accompanying Tariff of Global)
Communications Consulting Corp.)

Case No. XD-2005-

**MOTION TO OPEN CASE AND CANCEL CERTIFICATE OF SERVICE
AUTHORITY AND ACCOMPANYING TARIFF**

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and requests that the Commission cancel the certificate of service authority and accompanying tariff of Global Communications Consulting Corp. In support of its motion, Staff respectfully states as follows:

1. In December 2002, the Missouri Public Service Commission (Commission) granted certificate of service authority to provide interexchange and non-switched local exchange telecommunications service to Global Communications Consulting Corp. in Case No. XA-2003-0188. The company's tariff, Missouri P.S.C. Tariff No. 1, was approved in the same case.

2. Global Communications Consulting Corp.'s mail has been returned by the post office as undeliverable. A returned envelope is attached to this Motion as Appendix A. Global Communications Consulting Corp.'s telephone number has been disconnected.

3. The web site of the Office of the Missouri Secretary of State reports that on June 3, 2005, the company, a Delaware corporation, was notified that it was delinquent in filing its 2004 annual report and its failure to submit that report would result in dissolution. However, at this time the company remains in good standing.

4. In its 2003 annual report, the company indicated that in addition to its direct company contacts, the Commission could contact the law firm of Early, Lennon in Kalamazoo,

Michigan. That law firm prepared the annual report for that year. The undersigned counsel has contacted that law firm, and was informed that Global Communications Consulting Corp. is no longer a client and that the firm had no forwarding information or any information other than the same information that the Commission's files already reflected.

5. Global Communications Consulting Corp. has not submitted its 2004 annual report. In its 2003 annual report, it reflected \$5.10 in Missouri-specific revenues. It owes no assessments.

6. Staff believes that Global Communications Consulting Corp. has violated the terms of its certificate by its failure to keep the Commission informed of its current address and telephone number. Section 392.210(2) RSMo. (2000) states, among other things, "The commission shall at all times have access to all accounts, records and memoranda kept by telecommunications companies... ." Because Global Communications Consulting Corp. has failed to keep the Commission informed of a current address or telephone number, the Commission is unable to contact Global Communications Consulting Corp. Therefore, Global Communications Consulting Corp. has denied the Commission access that is required of the Commission under Section 392.210(2) RSMo. (2000). Certainly, Global Communications Consulting Corp. has denied the Commission its ability to supervise telecommunications operations and services as statutorily mandated under Section 386.250 RSMo. (2000).

7. The Commission has the authority to cancel a telecommunications company certificate pursuant to Section 392.410.5 RSMo. (Supp. 2004), which provides:

Any certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.

However, the Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo.App. 1989).

8. Because Global Communications Consulting Corp. has not informed Staff of its current address and phone number, Staff is unable to provide service of this pleading to Global Communications Consulting Corp. directly. Therefore, the Staff is serving this pleading via certified mail on the registered agent of Global Communications Consulting Corp. as listed on the website of the Secretary of State. Section 351.594.1 RSMo. (2000) provides that “the registered agent of a foreign corporation authorized to transact business in this state is the corporation’s agent for service of process, notice, or demand required or permitted by law to be served on the foreign corporation.”

9. Staff is also serving this pleading upon the address provided in the company’s annual report for the Early, Lennon law firm.

WHEREFORE, the Staff recommends the Commission cancel the certificate of service authority of Global Communications Consulting Corp. to provide interexchange and non-switched local exchange telecommunications service and the accompanying tariff, Missouri P.S.C. Tariff No. 1.

Respectfully submitted,

DANA K. JOYCE
General Counsel
